DECLARATION AND POWER OF ATTORNEY

As the below named inventors, we hereby declare that:

Our residences, post office addresses and citizenships are as stated below next to our names.

We believe we are the original, first, and joint inventors of the subject matter which is claimed and for which a patent is sought on the invention entitled Oil-Soluble Scale Inhibitors With Formulation For Improved Environmental Classification, the specification of which was filed on January 23, 2002.

We do not know and do not believe that such subject matter was ever known or used in the United States before our invention or discovery thereof, or patented or described in any printed publication in any country before my invention or discovery thereof, or more than one year prior to this application, or in public use or on sale in the United States more than one year prior to this application, or patented or made the subject of an inventor's certificate in any country foreign to the United States on an application filed by us or our legal representatives or assigns more than twelve months prior to this application.

We hereby state that we have reviewed and understand the contents of the above identified specification, and claims. We hereby claim the benefit under 35 USC 119(e) of provisional application No. 60/332,147 filed November 22, 2001. This application is a continuation-in-part of Application No. 09/361,468, filed July 27, 1999.

I acknowledge the duty to disclose information which is material to the examination of this application in accordance with Title 37, Code of Federal Regulations § 1.56(a).

We hereby appoint Tim Cook, Reg. No. 32,561 of Browning Bushman to prosecute this application and to transact all business in the U.S. Patent and Trademark Office in connection therewith.

Please direct all correspondence to:

Tim Cook
Browning Bushman
5718 Westheimer, Suite 1800
Houston, Texas 77057

We hereby declare that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Sec. 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
